

Vinho Verde Rosé

BROADBENT, VINHO VERDE, PORTUGAL

HARVEST & VINTAGE NOTES

Broadbent has partnered with family owned wineries around the globe to produce wines rich with the essence of place and tradition. First launched in 2005, the Broadbent Vinho Verde quickly earned a reputation as one of the finest Vinho Verdes available.

The Broadbent Vinho Verde Rosé is made exclusively from red grape varieties. A soft crushing and pressing make it possible to gently extract the juice. The rosé must is clarified, resulting in a bright, clear wine.

The final wine has vibrant aromas and flavors of fresh strawberry, pomegranate and orange zest, which are corralled by a pleasantly light spritz.
