

Le Renard

2019

CÔTEAUX BOURGUIGNONS

CÔTE CHALONNAISE * CÔTE DE BEAUNE * BOURGOGNE, FRANCE

'Le Renard' range represents several wines selected by the Devillard family among high quality domaines in Burgundy. Simple philosophy: expressing the purest taste of each grape varietal from our Burgundy region. Côteaux Bourguignons offers a generous fruit with a smooth structure and a silky texture.

VITICULTURE/VINIFICATION

Devillard selects wines from family domaines they know, located in Côte Chalonnaise and South of Côte de Beaune, around Santenay and Maranges. They also source their young wines from Château de Chamirey.

Alcoholic fermentation and aging are 100% made in stainless steel tanks. 100% malolactic fermentation occurs as well. The wine is bottled in Burgundy traditional bottles.

TASTING NOTES

Lovely deep red color with purple tints, very expressive nose offering red and black fruit aromas. The wine is generous and refined, long and mouth-watering finish.
