BOURGOGNE PINOT NOIR

CÔTE CHALONNAISE * CÔTE DE BEAUNE * BOURGOGNE, FRANCE

Le Renard is a limited range of high-end wines selected by the Devillard family from some of the best terroirs in Burgundy.

VITICULTURE/VINIFICATION

Devillard Family selects wines from family domaines they know, located in Côte Chalonnaise and South of Côte de Beaune, around Santenay and Maranges. They also source their young wines from Château de Chamirey.

For more than fifteen centuries, pinot noir grapes have produced red wines in Burgogne which are among the best of the world. This fresh and balanced wine shows fine red fruit aromas and a vibrant finish. Grapes are blended and bottled. Only a few oak casks are used to highlight the purity of the fruit.

TASTING NOTES

Intense red color with purple reflects, very expressive nose offering red and black fruit aromas. The palate is well-balanced between generosity and finesse.
