19.5%

## Residual Sugar

113.7 g/L

## Total Acidity

5.18 g/L

## Total Sulphur

25 ppm

## pH

3.25

## HISTORY

The first vintage of Broadbent port was produced in 1994, when Bartholomew Broadbent, after spearheading the port revival in the U.S. and Canada, launched his own brand. That inaugural vintage was voted best-in-show at a comprehensive tasting of vintage port during the Aspen Food & Wine Classic. Bartholomew has long-lasting relationships with the Douro Valley's best Port producers and works with esteemed winemakers on the Broadbent Port range.

## VITICULTURE/VINIFICATION

The grapes are hand harvested and softly crushed after partial destemming. The wine was fermented in lagares and on the grape skins, allowing for their important flavor compounds to be extracted. This is done under temperature control so that the winemaker can keep an eye on the alcoholic fermentation to ensure that the addition of aguardiente (grape spirit) is added at just the right time. This addition of aguardiente halts the fermentation and is the key to creating Port wines sweetness. After fermentation, the wine is aged in wood. The final wine is a blend of multiple vintages of oak aged reserve wines that have been aged 15 to 30 years.

## TASTING NOTES

Using the best, ripest deep colored grapes enables this 20 Year Old Tawny Port to retain some hints of redness but with the distinctive tawny color. The palate is rich, sweet, full and round.
