CABERNET SAUVIGNON

Alexander Valley, Sonoma County

Hailing from 2 vineyard sites in the renowned Alexander Valley, the Cabernet dominated red has lush dark berry fruits with smooth, beautifully integrated tannins. Heady aromas of black cherry, cassis, ripe plums are nicely balanced with hints of spice and a long silky finish.

Before Michael Broadbent became a renowned auctioneer, the 24th Master of Wine, an artist and author - he trained to be an Architect. He knew the importance of structure, balance and beauty. Only fitting this wine is an homage to our favorite Renaissance man.

80% Cabernet Sauvignon, 7% Petite Verdot,
