Marco Antonio De Martino,
Nicolás Pérez

Alcohol Content

14%

Acidity

4.88 g/L

Total Sulphur

.089 mg/L

Residual Sugar

1.84 g/L

pH

3.66

HISTORY

Founded in 1934, the De Martino family has specialized, for four generations, in creating wines that are a faithful reflection of their origin, coming from selected parcels throughout Chile. Proud to have been the first winery in Chile to put “Carmenere” on the label of a wine back in 1996. De Martino also pioneered working in century-old vineyards in the Itata Valley, incorporating traditional winemaking techniques that set a precedent in the industry. The fourth generation headed by Marco Antonio and Sebastián De Martino, along with their team, continue the search for exciting terroirs same as polishing their house style.

VINIFICATION and MATURATION

Sourced from the De Martino family’s vineyards in Isla de Maipo in the heart of the Maipo Valley. The vineyards are planted on an alluvial terrace with deep gravel soils, ideal for Bordeaux varieties. There’s Mediterranean climated, moderated by the influence of the nearby Pacific Ocean. The grapes were manually harvested during the third week of March 2021. Grapes were destemmed, sorted and lightly crushed before being transferred to stainless steel tanks, where they underwent a cold maceration prior to a spontaneous fermentation with native yeasts. After 10 days of post fermentative maceration, 50% of the wine was racked to used French oak barriques for aging for 6 months, while the remainder matured in tank.

TASTING NOTES

A lively violet color with fresh and ripe aromas of cassis and redcurrant are complemented by a floral violet note. Medium-bodied and soft textured with a ripe fruit core balanced by round and ripe tannins, fresh acidity and a long lingering finish.
