4.9%

### Residual Sugar

130 g/L

### Total Acidity

5.86 g/L

### Total Sulphur

85 mg/L

### pH

3.26

### HISTORY

Since 1600, the Bava Family has grown grape vines in Cocconato, a village that rises steeply up the hillsides of the Monferrato Astigiano territory, founding their winery there in 1911. Over the past century, six generations have carried on their family winemaking traditions and have expanded their vineyards to include prized estates in Barolo and Nizza. Concentrating on high quality Barbera, Nebbiolo and traditional indigenous varieties, Bava is dedicated to creating pure and delicious expressions of their historic Piedmontese terroir.

### VINIFICATION and MATURATION

Bava's Moscato is grown in the production area of Alta Langa, in limestone soils in vineyards at a higher altitude (over 250 metres a.s.l) on cooler hills with good atmospheric temperature range promoting the creation of terpenes and aromas. For this Moscato, like for Bava's reserve wines, the grapes are picked, arranged in cases and pressed fresh. The aromatic free-run must is then let to decant naturally at cold temperatures and stored until re-fermentation, that is done in steel vats.

### TASTING NOTES

Strongly aromatic Moscato, with an explosive bouquet of flowers and fruit. The tiny bubbles balance out the sweetness and underscore its elegance. Perfect ingredient for refreshing cocktails or even for sorbets.
