2020 LEGADO RESERVA CABERNET SAUVIGNON

LEGADO SERIES * MAIPO VALLEY, CHILE

Legado wines come from selected plots of land in vineyards with extraordinary characteristics. These are wines that reflect the essence of their regions of origin and stand out because of their great intensity, character and elegance. This wine comes from De Martino's vineyard in Isla De Maipo, in the heart of the Maipo Valley. Overall it is a classic example of Maipo Cabernet Sauvignon in a more elegant style that will develop for the next 15 years.

VITICULTURE/VINIFICATION

The vineyard is planted on an alluvial terrace with gravel soils that suit this variety perfectly, experiencing climate influences from the Pacific Ocean. Grapes were manually harvested during first week of March 2020. After picking, the grapes are destemmed and sorted before being transferred to stainless steel tanks, where they underwent a cold maceration prior to a spontaneous fermentation with native yeasts. After 10 days of post fermentation maceration and when malolactic fermentation has been completed, the wine is racked to used French barriques for ageing for 12 months. This wine is not fined and is only lightly filtered prior to bottling.

TASTING NOTES

Lively violet in color, complemented with fresh and ripe aromas of cassis and floral to violets. Followed by, notes of tobacco leaf and graphite. Medium-bodied with an intense ripe fruit core balanced by very fine tannins, fresh acidity and a long finish.
