DE MARTINO RECEIVES EXCELLENT SCORES AND AWARDS IN DESCORCHADOS 2025

Des COR Chad DOS 2025

The prestigious Descorchados guide has once again awarded excellent scores to the De Martino wines.

In the 2025 edition, Latin America's most influential wine guide highlighted the quality and unique character of the family winery, especially with the **Gran Vino CUVÉE 2022**, which was recognized in the "Top Reds of the Year" ranking and received the "Best Maipo among the Cordilleras" award with 98 points.

In addition, the Single Vineyard wines from Isla de Maipo received the "Best Semillon" award for **La Blanca Semillon 2023** with 95 points and the "Revelation Wine" award for **La Cancha Cabernet Sauvignon** with 95 points.

This recognition is a reflection of the effort and passion that each member of the team puts into their work every day. *Cheers!*
