

WINE ENTHUSIAST

TOP 100 WINES OF 2025

#2

2016 Gusbourne 2016 51°N - 98 points

"England's most premium sparkler is all it's cracked up to be. It walks a line between classic and modern. It's focused and long; the toastier, more lactic notes are well-tucked beneath a radiant sunbeam of unmistakably English acidity, a zing of citrus zest that makes taking another sip – or 10 – an incredibly easy endeavor."

#23

2018 Chateau Musar White - 96 points

"Creamy, amber-hued Musar Blanc showing nuanced lemon, tangerine, clove, honey, and gentle oxidative notes. Velvety tannins and a long, citrus-driven finish."

#81

2022 Sadie Family Wines Treinspoor - 94 points

"From bush vines and makes a delightful wine with depth, freshness and grip. Crushed strawberries and earthy notes form an attractive bouquet. Fruit-forward and spicy, the vibrant palate reveals raspberries and blueberries, complemented by a dash of orange zest and flower petals in the finish."

#89

2023 Architect Cabernet Sauvignon - 91 points

"This ripe and generous Cabernet leans into the variety's fruitier side, with bright cherry, raspberry and chocolate aromas on the nose. The palate feels supple with silky tannins, zippy acidity and flavors of cassis, tobacco and black pepper lingering."
